

UNIVERSAL COLLISION REPAIR SYSTEM

JOSAM I-PRESS

JOSAM I-PRESS

FLOOR BEAM REPAIR SYSTEM IN LIGHTWEIGHT ALUMINIUM ALLOY

FEATURES AND BENEFITS

How the I-Press works

The system comprises three complete straightening units, each mounted on wheels and equipped with accessories. I-Press offers a unique capability. The three multi-functional straightening units operate in the X, Y, and Z directions, capable of pressing and withstanding pressure both horizontally and vertically.

Ergonomic and easy handling

Its lightweight design makes installation and handling easier, with minimal setup time. Simply grasp the handgrip, and you can move the entire straightening unit. I-Press can easily be supplemented with other JOSAM® straightening equipment, such as C-Clamps and hydraulic tools.

WORKSHOP INSTALLATION

EASY TO INSTALL. JUST AS EASY TO MOVE.

The JOSAM® I-Press can be installed in existing concrete floors with a minimum thickness of 150mm. For the floor anchorings, accurately sized holes must be drilled into the concrete. In every hole, floor anchorings need to be installed (chain anchorings or screw anchorings). The standard installation length is 9.6 metres, which can be extended with additional 3.2-metre sections.

I-Press is also easy to relocate. The floor anchorings can be removed, and the centre beam dismantled for installation at a new site.

WE STAND BY YOUR SIDE

FROM INSTALLATION TO PROFITABLE BUSINESS

INSTALLATION AT YOUR SHOP

We ensure the delivery and on-site installation of your equipment as per our agreement, including all the necessary adjustments required for your shop.

THE JOSAM ACADEMY – WORLDWIDE TRAINING PROGRAMS

We know our products are only as good as the support and training provided, and we at Josam are proud of our unique educational program, which helps you and your co-workers get the most from your investment.

SUPPORT TO KEEP YOUR BUSINESS RUNNING

In addition to our two-year warranty on all equipment, Josam is never far away. The same goes for our distributors. If you have any questions or need assistance with anything related to Josam equipment, our ambition is to provide you with the best possible support.
